

Ladies and Gentlemen, Start your ... **MOTORS!!!**

Attention all schools with STEM and Pre -Engineering programs...

The 2012, 15th GA Electric Vehicle Rally is scheduled for March 24th at the Burke County High School's beautiful campus, which will provide a wonderful rally site with great facilities and spacious parking areas for all competitions.

Once again, the EVEP Georgia EV Rally invites all schools with electric vehicles to participate in one of the longest continuous-running EV competitions in the nation.

**Our Rally includes 3 Driving competitions
and 3 academic competitions.**

**Acceleration
Autocross
Range
Troubleshooting
EV Science Quiz Bowl
Oral Presentation.**

**The Theme to develop for the Oral
presentation is:**

**“My family is going to buy their
first alternative vehicle,
Which one is going to be, and
why?”**

- **All Forms can be found at the EVEP site www.eveducation.org or at www.evmasters.com by next week.**
- **The rally will be one action-packed day with all the events compressed into a fast-moving, exciting schedule. Standard registration fees: \$50 per school and \$10 per student .**
- **Teams can either pack a lunch or buy food at the Burke’s HS Concession. Participants with paid registration will receive EV Rally T-Shirts.**
- **Registration and Tech Inspection begin Saturday morning, March 24th at 8:30. All academic and driving events will be held on site, back-to-back.**
- **Please refer to the schedule (note that events might change based on the weather)**
- **Please email Luis Romo at lromo@eveducation.org as soon as possible with the number of attendees and vehicles that you plan to bring.**
- **Fax or email completed registration forms to Luis at 706 654-3397 by March 9**
- **Forms, specs, rules and more information will be posted on www.eveducation.org or at www.evmasters.com**
- **Questions? Please contact Luis Romo by email or phone, 770-722-8509.**

See you there!!!
